

Leebridge Group

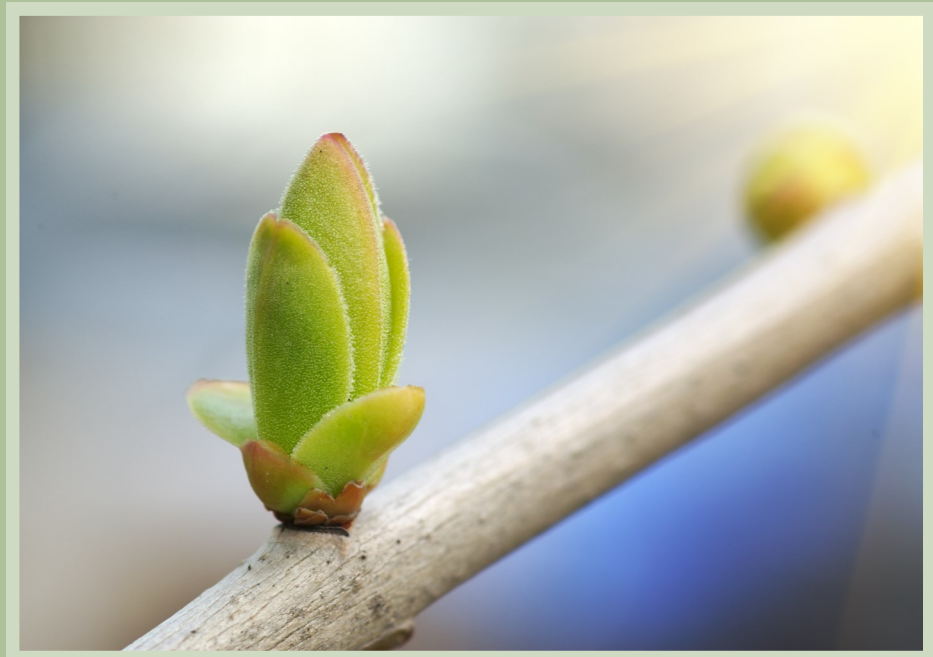

Expert Financial Advice for Aged Care Providers

The Aged Care industry comprises many challenges that are constantly being redefined. As a recognised leader in financial services and partnering with the Aged Care sector for over 35 years, Leebridge Group is committed to providing quality, innovative business solutions tailored to meet your specific requirements.

We offer a complete service with in-house specialists in the areas of financial management, finance and strategic planning complemented by a wide network of professional contacts enabling us to answer all our clients' business needs.

In addition to our standard accounting and business services, we offer the following specialty skills:

- Financial analysis of performance and identification of areas of improvement
- Annual private client survey and benchmarking
- Feasibility analysis for sales and acquisitions
- Matching vendors and purchasers and negotiating transactions
- Strategic analysis and support with growth strategies
- Aged Care approvals round applications
- Advisory Board participation
- Accommodation bond and charges strategies

- Preparation of budgets and cash flows
- Bank finance applications
- Bank covenant reporting

Throughout our partnership with the residential aged care and retirement sectors, we have been active in numerous specialist advisory roles over the years, participating in many industry seminars, conferences and government committees.

In an election year, our focus remains on providing timely, quality advice to small and medium-sized aged care businesses.

Our understanding, interpretation and development of action plans in response to these government changes, consumers' expectations and financier requirements will help

provide you with the information you'll need to achieve your goals.

*Let our experience
guide your
business towards
the success
it deserves!*

We also offer an initial 'no fee, no obligation' meeting giving you the opportunity to freely discuss your situation with us, so we can determine the best way forward for you.
